Follow the instructions below to complete your return at an eligible FedEx location near you.

- 1. Pack up your items. Make sure that items are packaged properly and paired with the correct return label.
- 2. Bring your packaged, sealed, and ready-to-ship item to FedEx and show the digital return code below to an associate. They'll print a return label for you.

# Returning more than one item?

Please remember to pair the correct item with the correct package and return label. Items sent to us by mistake, using the wrong label, or that do not meet our return criteria, will not be returned to you or refunded.
